

SpanishPRO for *Individuals*

Speak Spanish like a PRO.

120 hours is all it takes to jump start your career.

In today's quickly diversifying economy, employers look for candidates who can speak to the fastest growing employee and customer demographic in the country—Latinos.

SpanishPRO gives you the skills to not just learn the language but learn Spanish for work. SpanishPRO's immersion system allows you to:

- Gain a working knowledge of conversational Spanish
- Master important job-related terminology
- Get hands-on language training quickly and easily

Three Easy Levels to Meet Your Needs

The SpanishPRO system is made up of three levels allowing you to advance in stages, picking up practical verbal capability along the way.

1

BASIC

Learn foundational Spanish to communicate with fellow workers and customers.

2

INTERMEDIATE

Advance your Spanish skills to the next level and accelerate your career.

3

ADVANCED

Command the language to communicate daily at work.

About SpanishPRO

The Institute for Workforce Education of St. Augustine College, a national leader in workforce development products and training, and Instituto Cervantes, the world's leading ambassador of the Spanish language and culture, have teamed up to provide organizations the best of both worlds—workplace training expertise and the best Spanish language content.
