Canvas Student App Install Reference Guide

The following instructions will guide you so that you are able to install the **Canvas Student App** on your Apple Iphone/iOS Device.

Here are some screenshots that can guide you in installing the **Canvas Student App** on your mobile device.

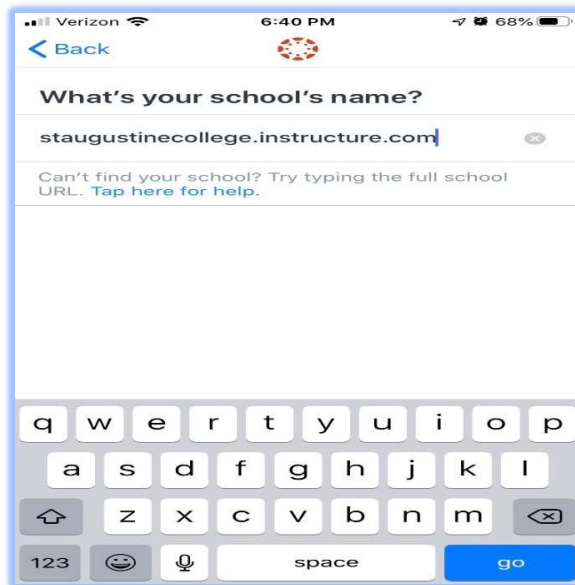

Step 1: Go to the app store, and search for **Canvas**.

When you do, **select** the one that says **Canvas Student** and **install it**.

Step 2: Where it says: What's your school's name? **Type the url** (do not type "st. Augustine college" it will not recognize it):

staugustinecollege.instructure.com

Step 3: You will then need to login using your student username and default password:

Username: **SAugustine**

Password: **SAC12345#**
