

Graduation Meeting Cancelled and Commencement Ceremony Postponed

Dear graduates and graduation candidates:

The graduation meeting we host every year by early April couldn't be organized this time because of the Coronavirus pandemic, and now I'm announcing that the Commencement Ceremonies scheduled for May 22nd and 23rd have been postponed. You'll be informed of the new arrangements as soon as feasible.

We know how important the Commencement Ceremony is, but your health and that of your relatives and friends should be, and is, what drives decisions at this time. Once the current situation is over and we return to normality, the whole St. Augustine College community will honor its graduates, and there will be time enough to celebrate and plan for the future. Of course, the postponement of the Ceremonies doesn't change your graduation date, which is entered to your record and will appear on your transcript upon completion of your graduation requirements.

On behalf of Dr. Reyes Gonzalez, President of St. Augustine College, congratulations to all Fall 2019 graduates and Spring 2020/Summer 2020 candidates! We'll have a better, bigger, and happier Commencement Ceremony when we're back together as a family.

Best wishes,

Dr. Juan E. Ojeda
