

ASSOCIATE OF ARTS (AA)

Accredited by The Higher Learning Commission

Our Associate Degree programs emphasize the following:

- ✓ The ability to think and write clearly
- ✓ The ability to develop career skills and goals
- ✓ The ability to acquire and apply information from core fields of knowledge, including the arts and sciences; and a positive attitude toward self, learning and understanding

The Associate of Arts degree offers:

- ✓ A course of study leading to transfer to a four-year college or university
- ✓ Requirements for the degree are typical for the freshman and sophomore year of a Bachelor of Arts program
- ✓ Approximately three-fourths of the required credits for graduation in the Associate of Arts are devoted to general education requirements

We are committed to a comprehensive educational program that combines opportunities for intellectual and cultural growth

Student Support Services

We provide the personal attention and support to ensure that you maximize your potential for success.

Student Support Services:

- ✓ We have one of the most generous transfer policies across 4 year institutions

Students can transfer up to 45 credit hours

- ✓ Small classes with personalized attention from experienced faculty
- ✓ Tutoring
- ✓ Bilingual Academic Advising
- ✓ For Spanish dominant students, we offer an intensive English program designed to make students successful in college classes
