

# RETURN-TO-CAMPUS FAQS FALL 2021

Please note that guidelines are subject to change. Check back often for the most up-to-date information.

## 1. SAFETY

**Q: Do I have to wear a mask?**

A: Students, faculty, and staff must wear masks while inside campus buildings.

**Q: What about social distancing?**

A: Students must keep 3' of distance between themselves and classmates according to current CDC guidelines. Desks must be distanced, as well.

**Q: I forgot my mask at home. What should I do?**

A: Don't worry. Masks and hand sanitizer will be available at all sites.

## 2. PROOF OF VACCINATION

**Q: Do I have to show proof of vaccination?**

A: Yes. Students must submit proof of vaccination to their assigned Learning Facilitator. If a student chooses not to receive the vaccine, they must submit a weekly negative COVID test to their Learning Facilitator in order to attend classes in person.

## 3. CLASSROOM TECHNOLOGY

**Q: If I attend classes in person, do I need to bring my laptop?**

A: Yes. Laptops will be required to participate in on-campus classes and must have working cameras.

**Q: What happens if I forget my laptop?**

A: You may be able to check out a laptop for the duration of your class. Five laptops are available at each location on a first-come, first-served basis. ID is required.

**Q: What if I have a technology problem while I am on campus?**

A: IT Technicians will be available to assist in person. You can also contact the Help Desk at 773-878-3855. They can resolve most computer issues remotely.

## 4. ATTENDANCE

**Q: I usually attend online, but sometimes I want to go to the classroom to interact with my classmates and instructor. Can I do this?**

A: Absolutely! With SAC's new HyFlex Model, you can choose to attend any session remotely or in person. This flexible model gives you the freedom to choose how you want to attend depending on your schedule.

**Q: If I choose to attend remotely, do I ever have to come to campus?**

A: There are some exceptions. Hands-on classes such as labs require in-person attendance. Students enrolled in SAC 101 will also be required to attend one in-person session on their designated day.

## 5. CLASS MEETINGS

**Q: How do I know where my class meets?**

A: Find the class code – the last two digits reflect the location.

For example: BIO 102-60 meets at Argyle, PSY 300-75 meets at South, CIS 370-85 meets at West, and ECE 101-A5 meets at Southeast. Furthermore, 60, 61, and A2 are morning classes, whereas 75, 86, and 77 are evening classes.

Any question, please contact your Learning Facilitator.
