## Other Accreditors

---

### History

3/10/2020 - Monitoring, Interim Report, . A report on 1) a description of how the institution is addressing HLC's concern with its low composite scores, specifically how the strategic plan, exploration of new enrollments, and financial planning have and are expected to affect the institution's overall financial position, and, 2) an updated faculty qualifications policy and evidence that the policy is being implemented.

6/27/2019 - Financial Indicator Review, Waived. Since institution either recently submitted a report or hosted a visit related to finances, or will be submitting a report or hosting a visit related to finances, no further review is required at this time.

6/27/2019 - Financial Indicator Review, Waived.

8/8/2018 - Financial Indicator Review, Waived. Since institution either recently submitted a report or hosted a visit related to finances, or will be submitting a report or hosting a visit related to finances, no further review is required at this time.

8/8/2018 - Financial Indicator Review, Waived.

7/31/2018 - Standard Comprehensive Evaluation, Interim Report Requested. • Core Components 4.B, 4.C, and 5.C were rated "Met with concerns" and monitoring is recommended.  
• Core Component 3.C was rated "Met", however, the institution lacks a robust faculty qualifications policy and the team found two instances in which faculty were teaching outside their areas of expertise. The team did not recommend monitoring, but a report is recommended.  
• Core Component 5.A was rated "Met", however the Federal Compliance review indicated a concern with the low composite scores. Additionally, the institution has received correspondence from the HLC regarding its financial health. Therefore, a monitoring report is recommended.
